

Pay and Sign Website for Policy Conversions

Policyholders that are converting from a legacy system to AMsuite can use **Pay and Sign** to make a payment and electronically sign any insurance documents. Pay and Sign is available for **policyholders** when the policy is offered and up to 7 days after the policy expiration date. *It is important to know that policyholders whose lender makes the payment to American Modern do not need to enter billing information and can proceed to sign any documents once the lender's payment is applied.*

Pay and Sign for Policyholders

- 1 Open an internet web browser and enter the URL **amig.com/PayAndSign**
- 2 Enter the **policy offer number** that is listed in the policy offer (numbers only).
- 3 Enter the verification code (not case sensitive), which is also listed in the policy offer.
- 4 Enter the **Email address** that would receive confirmation of any electronic signatures.
- 5 Click **Log In**.

Make A Payment

Some customers pay for their insurance as part of their mortgage payment. They pay the lender, and the lender in turn pays American Modern. If that applies to you, a copy of the invoice has been sent to your lender for payment. That payment must be received by American Modern before you can electronically sign any required documents.

7 Enter the payment details and click **Make A Payment**.
